4 PATENTS

P E N D I N G

We Develop New Technologies Protected By Patents

NAT-C-BASE™

Developed at BioArge Laboratories, NAT-C-BASE™ has a cream foundation and enables the use of all-natural and original formulations in skin products.

PLANTRACTION™

PLANTRACTION™, developed at BioArge Laboratories through Glohe methods, is a distinctive and powerful extraction technology that does not use solvents or artificial chemicals, and does not damage a plant's essence.

PREALLNAT™

Glohe products utilize PREALLNAT™, a completely natural anti-oxidizing preservative that eliminates bacteria and fungus.

S-BASE V™

The soap-based S-BASE V™ was created at BioArge Laboratories from plant extracts, and enables the production of non-synthetic liquid soap; hair and body products; and other health, beauty, and personal care items.

OUR CERTIFICATES

Siveno developed policies and procedures to always ensure the best quality. We work diligently on everything from good business practices and organizational management to the environment, human rights, consumer issues and local community involvement. This attentive approach has been certified with Vegan, ISO, Halal, Cruelty Free and Etko Cosmos.

Our standards are your guarantee that when you buy from Siveno, you are buying responsibly and contributing to the environment for sustainability.

Siveno products are 100% natural and we believe in our products therefore, we believe you will be 100% satisfied with your purchase. Because our products are made with the cleanest and most nourishing ingredients, it's easy to stand behind them.

Bay Leaf Oil

Bay leaf oil is a natural oil molecule. It is one of the most effective oils for treating dry skin, hair loss, and the formation of stretch marks on the hands, feet, and so on. Bay leaf oil also contains anti-wrinkle properties. It removes the dead layer of skin to soothe and regenerate.

Chamomile Extract

Chamomile is a hypoallergenic botanical that lightens dark spots and scars and defends against free radical damage. For hair: relieves dry, itchy scalps, regulates dandruff, and promotes shine.

Beeswax

Beeswax is a natural wax produced by honey bees of the genus Apis. We use 100% natural and pure beeswax to moisturize your lips instead of materials like synthetic waxes.

Cocoa Butter

Cocoa butter is a powerful source of antioxidants. It moisturizes the skin, promotes moisture retention and proves effective against stretch marks. Its vitamin E content nourishes the skin, making it more supple and giving it a natural shine.

Sea Buckthorn Oil

Sea Buckthorn oil moisturizes sensitive and severely dry lips and strengthen the lips' protective barrier thanks to its high levels of omega-7 and antioxidants.

Coconut Oil

Rich in vitamin E, coconut oil nourishes the skin and prevents premature skin aging thanks to its rich antioxidant properties. Additionally, its moisturizing properties help soften the skin and provide elasticity. With its capric, caprylic and lauric acid content, coconut oil provides antifungal and antibacterial properties. Lauric acids also prevent the formation of bad odors. Coconut oil is also effective on the hair and nails, as it promotes moisture, radiance and softness. It also strengthens the nail and cuticle.

Calendula Oil

Calendula oil provides significant moisture in skin care. It also effectively combats a range of skin problems. It moisturizes and protects against solar rays. It helps to strengthen hair follicles. It helps to prevent dandruff.

Glycerin

Its water retention properties increase moisture retention. Suitable for use without gloves thanks to its glycerin content. Does not dry hands out. Moisturizes the skin and leaves a soft feeling after use.

Carbonate

It softens water, dissolves grease and prevents odors. Carbonate is a mineral that boosts the cleaning power of soap base. The cleaner's special formula contains sodium carbonate instead of other anti-limescale agents such as EDTA.

Vitamin E

Vitamin E is a defensive antioxidant and potent. Promotes healthy hair growth, reduces split ends and enhances softness.

Castor Oil

Castor oil nourishes, protects and moisturizes the skin thanks to its unsaturated fatty acid content. It gives the skin a radiant appearance. It also strengthens the hair.

Honey

Used as a skin moisturizer for generations, honey also adds radiance to the skin with its water-retaining and preserving properties. It is effective against dandruff, itching and hair loss.

Macadamia Nut Oil

Macadamia Nut Oil has moisturizing benefits for both skin and hair. For skin, with its non-greasy texture, and is non-comedogenic so does not clog pores. Contains many beneficial fatty acids for promoting skin health.

Mint Oil

Mint oil refreshes the skin and body.

Nettle Oil

Nettle oil, also known as youth oil, regenerates the skin and balances hair oils to give hair volume and effectively combats dandruff and hair loss. Contains large amounts of iron, vitamin C and chlorophyll.

Vinegar

It gives your dishes a radiant shine. It is effective against lime and odors.

Jojoba Oil

Jojoba oil is a waxy liquid derived from the jojoba shrub. Since it closely mimics skin's natural oil, jojoba is ideal for moisturizing for many different skin types. This non-comedogenic oil nourish dry skin.

Lavender Oil

Lavender oil is an essential oil with a pleasant aroma. It protects the skin against microorganisms that are invisible to the naked eye.

Lemongrass Oil

Lemongrass oil is an essential oil. It has a pleasant aroma.

Olive Oil

Used in pure form and in soaps and cosmetics for generations, olive oil moisturizes and revitalizes the skin thanks its rich fatty acid content.

Evening Primrose Oil

Evening Primrose oil contains Omega-3 and Omega-6, which cannot be produced by the human body. It is effective against hair loss.

Rosemary Oil

Rosemary oil contains iron, calcium, vitamin and antioxidant content, making it beneficial for all skin types. It rejuvenates the skin and it is very effective in combating hair loss and dandruff.

Shea Butter

Shea butter contains many essential vitamins to promote healthy skin. It is rich in both antioxidants and the vitamins A, D, E, and F. It is particularly effective against sensitive and dry skin. Shea butter softens dry skin, giving it a smoother appearance. It also increases skin elasticity and creates a protective layer. It helps the skin maintain its balance of moisture and water. It moisturizes chapped lips. It also naturally protects against harmful UV rays and skin spots. It prevents hair from breakage and shedding.

Tea Tree Oil

While moisturizing and detoxifying the skin. Treats dandruff and cleanses the scalp and follicle for healthier hair growth.
